We are welcoming in the new year with new and improved ways to assist our clients. We know that it is cold, rainy, and windy this time of year, and due to the pandemic, our clients have to wait outside to check-in, and for their pre-packed food box. In order to keep them as warm and dry as possible, our clients are offered an umbrella to borrow while they wait. We have had many umbrellas donated for this project, which has been a huge, helpful success! Our umbrellas are tagged and we receive them back from the clients after they receive their food. We then sanitize them before loaning them to other clients.

We have also installed an information center on the outside of our building. We have included such things as: hours and locations of other food pantries, hot meal information, the pet food pantry information, some housing information, assistance for those who are unhoused, the bus schedule, and more. And finally, we have installed a new number system outside for our clients that works well in the bright sunlight and makes a loud chime sound to announce that a new number is being called. This helps our clients to hear and see when it is their turn, while also keeping our volunteers inside, having less client contact. We want to ensure that we are still maintaining pandemic protocols to keep everyone safe, and this has certainly helped!

We want to thank everyone for their continued support, as we couldn’t do it without you. Best Wishes for a Happy New Year! -Kim Jasper, Executive Director

Anne has been a key volunteer at The FISH Pantry since 2016! You will find Anne volunteering every Monday, Wednesday, Thursday & Friday, always the first to arrive and the last to leave. She is our volunteer coordinator, and keeps the Pantry running smoothly whenever the staff are unavailable. When not at the Pantry, Anne enjoys spending time with her dog, Neko, putting together jigsaw puzzles, planting flowers, and her children and grandchildren. Anne is appreciated so much for all that she does!

We are looking for a few strong volunteers to help out in the pantry on either Monday afternoon or Thursday morning...or both! We are looking for someone who is able to lift heavier items on occasion. Please call if you are interested in helping to feed hungry families in Douglas County: 541-672-5242. We do good things and have fun doing it!
The FISH Pantry now participates in the non-profit bottle drop program. Please let us know if you would like one of our blue bags to fill up with your refundable bottles & cans. When you drop them off at Bottle Drop, FISH gets the credit! Just another easy way to help fight hunger.

Turning in bottles at Bottle Drop:
1. Fill your Blue Bag
2. Go to Bottle Drop at 740 NE Garden Valley Blvd. between 6am-10pm
3. Take Blue Bag to Drop Door at Far Left of the Building
4. Scan Code on Label to Open Door.
5. Leave Bag in the Chute! Thank You!

Results of December 2020
Roseburg Food Project

- 70 Neighborhood Coordinators
- 695 Food Donors
- 12,014 Pounds of Food

Next Pick-Up Date:
Saturday, February 13th

We are still looking for Volunteer Drivers....

If you have a truck and are able to donate an hour or two on a Tuesday or Thursday, we could use your assistance.

Every Tuesday and Thursday at 2pm, we need a volunteer driver to pick up food from UCAN and deliver it to the FISH Food Pantry. We also take items such as empty pallets and boxes back to UCAN from the FISH Pantry.

If you are interested in helping out, please call us at 541-672-5242
THE FISH OF ROSEBURG SERVICE SUMMARY
